Natalie Klaas

3/24/26

Topic:

Monarch Butterflies

Tabs for my page:

Each one of these numbers will be in its own tab (reachable by a nav bar in the header). The intro page will likely be the home page. Some tabs will have multiple sections.

1. Intro and etymology
2. Genome
3. Lifecycle
 - a. I will need to separate out each stage
4. Vision, flight, migration
5. Habitat - specific and locations across the globe
6. Predators, threats, and human interaction
7. Conservation and gardening
